The Aviation Education Foundation of Colorado, Inc. is a tax-exempt 501(c)(3) charitable education organization dedicated to providing training and/or scholarships for youth with a desire to enter the aviation industry, to providing a knowledge base that keeps pace with aviation's continual and rapid advancement for general aviation enthusiasts, students, general aviation pilots, aircraft designers and builders; and to educate the general public on the importance of aviation contributions to the community.

Contributions are tax deductible to the extent permitted by law.
